Ensuring Coordination in Fragile Contexts

Global Delivery Initiative Annual Conference 2019
“We have no roadmap on how to get from a system based on patronage and kin-based loyalty systems to a system premised on universal rules and equal access”

Harvard Building State Capability Project
“Over the past decade, there has been a paradigm shift towards seeing Somalia as a fragile statebuilding project rather than as a textbook case of a perpetual humanitarian emergency”

ECDPM “Nexus report”, Think local: Governance, humanitarian aid, development and peacebuilding in Somalia, March 2019

Somalia Resilience Program (SomRep)

SomRep is a consortium of 7 international agencies to increase the resilience of chronically vulnerable people, communities and systems in targeted pastoral, agro-pastoral and peri-urban livelihood zones.

Strengthen transparent and accountable governance structures at community, district and national levels to ensure an enabling policy and regulatory environment for sustainable livelihoods and economic growth.
Haiti Interim Recovery Commission

Figure 2: HRF Governance Structure
